

OUR APPEEL

...for proper packing

TOTE BAG

Sunday is going to be the most funday! But you won't be able to fit everything you need in that cute clutch. If you want to change your clothes later on, bring a bag you can fit everything in. We'll provide a safe place to store it when you get there.

WEDDING DAY OUTFIT

Dress Code: Festive-formal

Pick an outfit that's easy to pack and travels well! We will have an iron and steamer on site if you need to freshen up. Add a sweater, cardigan, or pashmina just in case it's chilly (#rochester).

Pro-tip: pack a "just in case" outfit if you have room in case of spills or change of heart.

WEDDING DAY SHOES

Have comfy feet! Yes, look nice for the wedding, but it's a property on a hill that's outside. So don't bother with high heels - be comfortable!

BATHING SUIT & TOWEL

Optional, but the post reception gathering will be by the pool! We will have some towels, but not sure if it will be ENOUGH. If you have a fav, bring it with you!

SUNNIES

Because it **might** be sunny. You never know!

FLIP FLOPS

SUNSCREEN

We got this covered.

COMFY CLOTHES / UNDER GARMENTS / SHOES

As night progresses we will be outside with a fire pit and hot tub and hanging out. Get out that sweater you brought, or pack your comfiest sweat suit for the ultimate bon fire experience.
